

Your Hume Con Journey

Supercharge your brain through music. Music lessons have been proven to help behaviour, social skills, emotional development and supercharge the brain, improving brain function, fine motor skills and more!

The options are outlined below as a guide for age and skill-appropriate options for lessons and ensembles. Ensembles are priced depending on the length of the ensemble, the number of members and the number of staff needed to attend.

Enquire now!! Lessons can be conducted at Crookwell Public School
